1971-1972 Centenary College Basketball

ABOUT THE DOME

This year, after several delays, the Gents finally move into their new Shreveport home, the Centenary Gold Dome Coliseum, beginning what will undoubtedly be a new era in the school's athletic history.

The multi-purpose geodesic dome, constructed at a total cost of \$1.5 million, including equipment, is the largest structure of its kind in the United States, and is matched in size only by one building each in France and Holland.

With a seating capacity of 4,500, including cushioned armchairs on the upper level and bleachers encircling the court, the dome will provide the Gentlemen with a home base seldom equalled by schools the size of Centenary.

Unique features of the structure include a Tartan floor—the latest in synthetic gymnasium flooring, indirect lighting, and the attractive gold anodized aluminum dome. Completely air-conditioned, the dome includes complete facilities for the athletic and physical education departments, including championship handball courts, classrooms, badminton and volleyball courts.

The Gold Dome Coliseum was designed by the Shreveport architectural firm of Somdal-Smitherman-Sorensen-Sherman and Associates. Whitaker Construction Company of Shreveport was the contractor, while the Temcor Company of California erected the dome itself.

ABOUT THE COVER

Representing the new era of Centenary basketball, our cover shows the youth movement at the College. Pictured against the Gold Dome Coliseum are new Head Coach Larry Little and Associate Coach Riley Wallace. The team this year will echo the youth refrain with only two seniors on the 13-man squad.

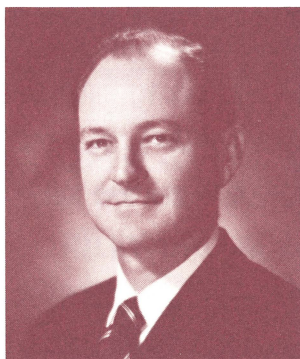

HEAR THE GENTS ON KWKH

Centenary basketball returns to the airwaves this winter with all home and away games being broadcast by KWKH radio—1130 on the AM dial. Calling the games will be noted Shreveport personality Irv Zeidman, who recently completed the lead role in Centenary's production of **Fiddler on the Roof**, and who has acted as Public Address announcer for the Gents for the past several years.

A BRIEF LOOK AT OUR PRESIDENT

Dr. John Horton Allen

Dr. John Horton Allen, a native of Homer, La., is now in his third year as president of Centenary College.

Dr. Allen graduated from Homer High School in 1940 and attended Northwestern State College at Natchitoches for two years before entering the U. S. Air Force. In 1949 he received his B. A. degree with honors from Southeastern Louisiana College at Hammond. He received his master's degree from Louisiana State University and his doctorate from Penn State University, where he served in 1952-53 as

an instructor in the Department of Rural Sociology.

He went to the University of Southern Mississippi in 1953 as an assistant professor of sociology and anthropology. After serving one year (1956) as associate professor of sociology and economics at Southeastern Louisiana, he returned to USM as Dean of the School of Arts and Sciences. In 1961 he was named Dean of USM, a post he held until the fall of 1969 when he came to Centenary.

Dr. Allen is married to the former Sidney Mitchell Gremillion of Shreveport, and they have two children, John Horton Allen Jr., 11, and Lisa Jane Allen, 8.

ORVIS SIGLER . . . Athletic Director

Orvis Sigler

Orvis Sigler, now in his fourth year as Athletic Director at Centenary, continues to add to his position as one of college basketball's best-known coaches.

After 15 years of coaching, and three as AD, Sigler was called on this past summer to coach for the Puerto Rican Basketball Federation. It was the third time he has spent his summer in this fashion.

In addition to being Athletic Director, Sigler will serve as baseball coach for the Gents this spring.

A graduate of Southwest Missouri State College in 1948, Sigler spent five years coaching at the high school level before returning to Southwest as assistant basketball coach and graduate manager of athletics.

The following year he moved to his first head coaching job on the college level at Missouri Valley College, where he also served as assistant football coach.

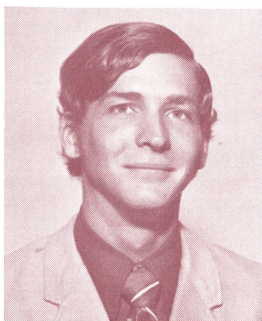

In 1954, Sigler became head basketball coach at the U.S. Military Academy at West Point, a position he held for four years, before trading the Hudson River for the Red River in 1958.

During his ten years as head coach at Centenary, Sigler compiled a record of 122 wins and 135 losses. His best seasons with the Gents were 1961-62, when his sophomores and juniors (including present associate coach Riley Wallace) posted a 17-9 mark, and 1963-64, when the Gents were 16-8.

Sigler's overall coaching record for his 15 years is 175 wins and 190 losses.

He is the father of two daughters, Susan and Sally, and a son, Steve.

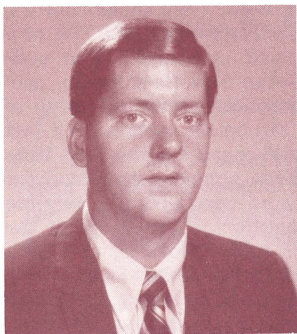

DAVID HELD . . . Trainer

David Held

David Held, a Sophomore Pre-Med major from Oklahoma City, Oklahoma, will serve as the Gents' trainer this year. Held has four years of experience in the field, having been trainer for his high school baseball, football, and basketball teams for three years, and having served in the same capacity for one year at Oklahoma City Southwestern Junior College. Dave plans to pursue a career in athletic medicine following graduation.

LARRY LITTLE . . . Head Coach

Larry Little

Larry Little, Centenary College's new head basketball coach, faces a challenging task this year, but brings a winning tradition to the position. Little, Freshman basketball coach for the Gents for the past three years, is being called on to improve on the Gents' best season in 6 years, a 13-13 mark last year, while having to replace two of the squad's top three scorers.

In order to meet the challenge, Little will call on 5 lettermen plus three transfers from Albany, N. Y., who will face a typical Centenary schedule of powerhouses, including Houston, Hawaii, LSUNO, and Texas.

Little hopes to be able to use a varied offense this year, to replace the pattern, deliberate offense of the past, made necessary by the lack of a good big man.

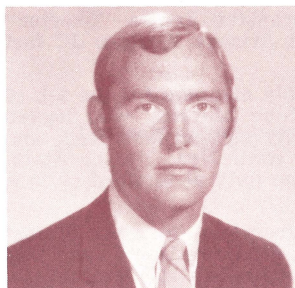

Little hails from Winchester (Illinois) High School. He received his Bachelor's degree from Illinois State University in 1962, and the Master's from the University of Illinois in 1966.

Prior to coming to Centenary in 1968, Little coached at both the High School and Junior College levels, beginning his career as Head Coach at Litchfield (Illinois) High School for five years, where he posted a 76-49 record. He then moved to Winston Churchill Junior College in Pontiac (Illinois), where he was responsible for establishing the athletic program at the College.

In his three years as coach of Centenary's Freshman squad, the Gentlets never fell below .500.

Little is married to the former Diana Jacobs, and the Littles have two daughters, Jennifer (4) and Caroline (2).

RILEY WALLACE . . . Associate Coach

Riley Wallace

Wallace, Associate Coach and chief scout for the Gents for the past four years, adds the job of Freshman coach to his workload this fall.

A 1964 graduate of Centenary, Wallace was a three-year starter for the Gents, participating on the 1961-62 squad that posted a 17-9 record. He also served as assistant freshman coach for the Gents in 1964.

After graduating from Centenary, Wallace served for three years as a coach at Litchfield (Illinois) High School. He earned the Master's degree from the University of Illinois in 1968.

His wife Joan is also a graduate of Centenary.

OUTLOOK FOR 1971-72

Despite the loss of two of the team's top three scorers, as well as the top rebounder, the Gents approach the new season with a blend of caution and optimism. The optimism stems from three factors—the new field house, providing the Gents with a first-class home base; a group of returning juniors who came on strong as sophomores last year to bring Centenary to the .500 mark for the first time in 6 years; and the addition of three potential star transfer students, two for the full season and one becoming eligible at mid-semester. The note of caution is provided by the necessity to mold the newcomers into a working unit with the returnees, plus the typically demanding Centenary schedule, which features at least seven games with 1970-71 post-season tournament participants, including Houston, Hawaii, LSUNO, as well as perennial Eastern power Long Island U.

PERSONNEL SUMMARY

GRADUATED: Four lettermen are among the six players Coach Little lost through graduation, including team captain Fred Zitar, the squad's top scorer and rebounder last year (17.0, 12.8 reb.). During his career Zitar set five school records for the Gents, including game and season rebound records plus best career FG accuracy. Also missing will be number three scorer Marshall Crawford (10.8, 84 rebounds), reserve forward Don Louis (4.8, 64 rebounds), and reserve forward Allen Dean (4.4, 59 rebounds).

GUARDS: With seven candidates for spots, this is the best protected position on the Gent roster. In contention for starting berths will be Jr. Melvin Russell (team leader in assists with 67), Seniors Claudell Lofton and Jeff Victor (5th and 6th top scorers), and Jr. Mike McGovern. Becoming eligible at mid-semester will be Milton "Road-runner" Horne, a top play-maker from New Mexico St.

FORWARDS: The Gents have plenty of talent in the front line but may suffer from a lack of depth. Returning are two of last year's starters—number two scorer and rebounder Larry Davis (14.0, 122 reb.) and number four scorer John Hickerson (7.2, 86 reb.). Challenging for a starting position will be JC transfer James "Skeeter" Horne, who averaged 15 ppg at Arizona Western JC last year.

POST: Two men will probably compete for the job of replacing Fred Zitar: Junior John Murphy, who logged time on both the JV and varsity squads last year, and transfer Lonnie LeFevre (6-8) from New Mexico State. Either of these two could also see duty at forward or in a double-post.

SOPHOMORES: Only one freshman member of last year's JV moves to the varsity, 6-1 Dave Deets, who was second in the JV squad in scoring with a 15.0 average.

SUMMARY: The Gents are a young and short team, having only two Seniors on the roster with LeFevre the tallest member at 6-8. They will thus have to rely primarily on speed and defense in order to improve on last year's 13-13 mark.

THE SPORTS FOUNDATION HOLIDAY TOURNAMENT

At the Dome—December 29 and 30, 1971.

Those who remember the Gulf South Classic—tournament basketball returns this year with the new name, in a new format, and on a new court—but with the same high-caliber basketball as before.

Those who are just roundball enthusiasts—this may well be the best basketball played in the area all year.

This year's participants:

Northwestern State University—Natchitoches—now a major-college independent, NSU participated in the NAIA regional tournament last year. The always fearsome Demons must be rated as co-favorite in this year's invitational.

Trinity University of Texas—San Antonio—Southland Conference—always tough, Trinity comes off rebuilding year in which they upset Pan American and Southern Mississippi (at Hattiesburg). They could be the spoiler of the tournament.

East Tennessee State University—Johnson City, Tennessee—Ohio Valley Conference—Strong defensive team in the tough OVC, knocked off conference runner-up Murray State twice last year and lost to Western Kentucky by only 3 points in their first meeting. ETSU, coached by Louisiana Tech graduate Madison Brooks, will be the team to watch in the Tournament.

And of course the host-team Centenary's Gents.

The Draw:

**Wednesday, December 29, 7:00 p.m. ETSU
NSU**

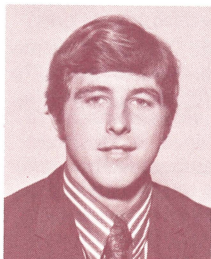

**9:00 p.m. Trinity
Centenary**

**Thursday, December 30, 7:00 p.m. 3rd place
9:00 p.m. Championship**

MEET THE GENTS

LARRY DAVIS

Forward — Junior — 6-3 — 195 — Shreveport, La.

The Gents' number 2 scorer and rebounder last year (14.0, 122 reb.), Davis will play forward this year to take advantage of his superior jumping ability. With excellent ball-handling and inside moves he led the squad in FG accuracy, hitting on 54% of his shots. Larry was an All-Stater on Woodlawn's 1968 State Championship team.

MELVIN RUSSELL

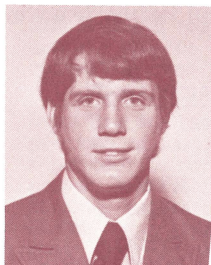

Guard — Junior — 6-1 — 185 — Shreveport, La.

Also an All-State selection from Woodlawn's 1968 team, Russell was the Gents' top playmaker last year with 67 assists. Extremely quick and agile, Melvin excels on defense and in tight offensive situations. Should again be in contention for a starting slot.

JOHN HICKERSON

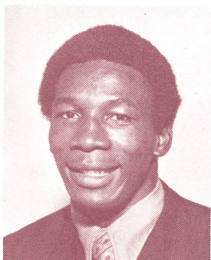

Forward — Junior — 6-5 — 185 — Bossier City, La.

Hick appeared in every game last year, was a starter for the last half of the season, and gained much valuable experience and poise under pressure. A steady player, John was the team's 4th leading scorer as well as being 3rd in rebounding, and will be counted on to take up much of the slack left by graduating Zitar and Crawford.

JAMES "SKEETER" HORNE

Forward — Junior — 6-7 — 215 — Albany, N. Y.

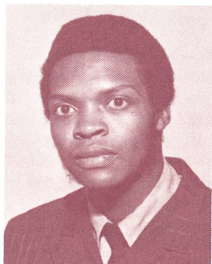

"Skeeter" comes to Centenary via Arizona Western JC in Yuma, Arizona, where he averaged 15 ppg. with 12 rebounds. Equally at home on offense or defense, Horne's physical strength could allow him to move directly into the Gents' starting line-up at forward or possibly center.

MEET THE GENTS

CLAUDELL LOFTON

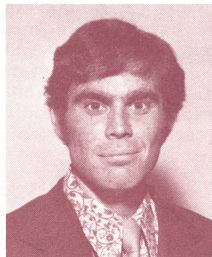

Guard — Senior — 6-1 — 160 — Minden, La.

Lofton appeared in 22 games last year, leading the team in free throw accuracy with an .857 average. A good ball-handler, Claudell has the potential to be one of the team's top scorers, having scored 30 pts. against Lamar Tech last year. With this kind of consistency in shooting he would be invaluable in the Gent backcourt this year.

JEFF VICTOR

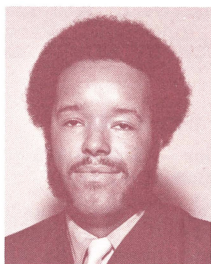

Guard — Senior — 6-3 — 175 — Santa Monica, Calif.

Becoming a starter toward the end of the season, Victor gained valuable experience in the backcourt last year. Aggressive on both offense and defense, additional playing-time this year should provide him with the poise to be an excellent ball-handler.

LONNIE LEFEVRE

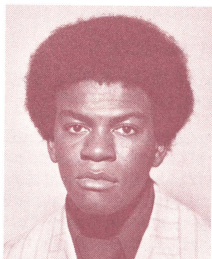

Center — Junior — 6-8 — 250 — Albany, N. Y.

A transfer from New Mexico State, LeFevre could be the big, strong man that the Gents need inside. Some question exists about how quickly he can return to top form after a year's layoff, but a quick recovery would make Lonnie one of the strongest assets to the Gent squad.

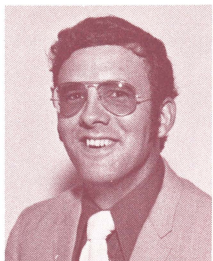

MILTON "ROADRUNNER" HORNE

Guard — Junior — 6-0 — 165 — Albany, N. Y.

There could be a shake-up in the Gent backcourt at mid-semester when the Roadrunner becomes eligible. A member of New Mexico State's 1969-70 NCAA tournament team, Horne achieved his nickname with his ball-control talent and ability to break the press. He may provide Coach Little with the spark needed to ignite a new type fast-break offense.

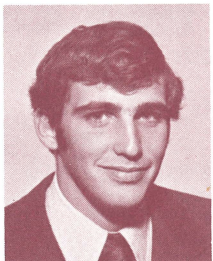

MEET THE GENTS

JOHN MURPHY

**Center — Junior — 6-7 — 240
Shreveport, La.**

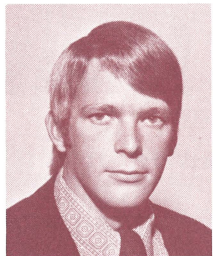

John gained a great deal of experience last year playing both Varsity and JV ball. With his size he could develop into one of the Gents' top rebounders, as well as providing an anchor at the post on defense. Murf attended Fair Park HS in Shreveport.

MIKE McGOVERN

**Guard — Junior — 6-3 — 195
Shreveport, La.**

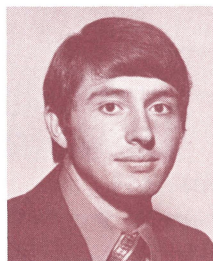

McGovern is the third member of Woodlawn's 1968 State Championship team on the Gent varsity. He saw spot action in 13 games last year and proved to be a steady performer, especially on offense. With defensive work and experience he could challenge for a starting guard position.

WYNN FONTENOT

**Guard — Junior — 6-2 — 170
Lafayette, La.**

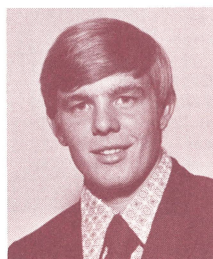

An excellent outside and inside shot, Fontenot gained valuable experience on the JV squad last year. With the development of quickness, Wynn could assist at forward as well as guard.

BENNIE DEPRANG

**Guard — Junior — 5-10 — 175
Haughton, La.**

The shortest man on the squad, Bennie appeared briefly in 6 games last year, showing promise as an outside shooter and on defense. More playing time this season should provide him with the playmaking experience to be an effective guard.

DAVID DEETS

**Guard — Sophomore — 6-0 — 175
Collinsville, Ill.**

The only one of last year's freshmen on the varsity, Dave is a hustling ball-player with great drive and ambition. Number 2 on the JV squad in scoring last year, experience this season should provide him with the finesse necessary to be a first-rate player.

Counted on to pick up the slack will be Ben Sayles, 6-6 Jr. who averaged 13.2 ppg. as a Soph. and pulled down 203 rebounds (number 2 man on the team in both categories). Others who should help are JC transfers Jeryl Sasser (6-5 forward) from Henderson County (Texas) JC and Steve Marquis (6-4 guard-forward) from Seminole (Okla.) JC. Coach Robbins, new this year after a stint as assistant coach at Louisiana Tech, will also depend on 6-5 Ephriam McDaniel, who returns after missing most of last season with a knee injury.

The reigning Southland Conference champions will boast a front line averaging 6-9, headed by All-American candidate John Belcher. Belcher led the nation last year in FG accuracy, hitting on .633 of his shots. OUTLOOK: Texas may be the surprise team of the Southwest this year, returning 7 lettermen and 4 starters from last year's rebuilding season. The Longhorn's top player, though, may be a Soph., Larry Robinson, who set all-time UT freshman marks in scoring and rebounding last year, averaging 33.9 ppg. Returning varsity men include the team's leading scorer and MVP—Jimmy Blacklock (16.6 ppg.), the team's top rebounder—Lynn Howden, and guard Scooter Lenox, who averaged over 20 ppg. at the close of the season.

SPORTS FOUNDATION TOURNAMENT

DEC. 29-30, THE DOME COLISEUM, 7:00 P.M.

EAST TENNESSEE STATE UNIVERSITY

LOCATION: Johnson City, Tennessee

ENROLLMENT: 9,870

HEAD COACH: Madison Brooks

CONFERENCE: Ohio Valley Conference

1970-71 RECORD: 12-12 (8-6, 4th in conference)

SID: John Cathey

SERIES RECORD: Centenary has won 4, lost 2

OUTLOOK: ETSU lost best rebounder and 2nd and 3rd best scorers from a team that went hot and cold last year, but returns 4 lettermen, including top scorer John Rice (6-5 Sr., 14.5 avg.), plus guard Tom Martin (6-3 Sr., 9.6 ppg.). Additional help will come from Sophomores Ron Mitchell (6-7) and Henry White (6-2), who averaged 13.0 and 24.8 respectively on last year's 13-7 Freshman team. Long on defense, ETSU allowed only 73.8 points per game last year while playing a schedule including Ohio State, North Carolina, and Western Kentucky. The post position will be filled by one of three possible starters: veteran Jerry McNabb (6-8 Sr., 4.3), red-shirted Chuck Shelton (6-9 Jr.), and newcomer Bert Frasure (6-9 So., 8.3 on Frosh team).

NORTHWESTERN STATE UNIVERSITY

LOCATION: Natchitoches, Louisiana

ENROLLMENT: 6,000

HEAD COACH: Tynes Hildebrand

CONFERENCE: NCAA Independent (formerly of Gulf States Conference)

1970-71 RECORD: 14-11

SID: Jim R. Johnson

SERIES RECORD: Centenary has won 15, lost 10

OUTLOOK: The fast-moving and aggressive Demons return 3 starters, including their top scorer, all-GSC guard Vernon Wilson (6-3 Sr., 20.4 ppg.). Other starters, 6-6 forward Jessie Horner and 6-4 postman Thurman Baptiste both also averaged in double figures. Transfer Judson Brock (6-7, Soph.) will be counted on to fill the open corner slot, while another transfer, 6-2 Soph. Kenny Covington, may fill the need for a good playmaking guard.

TRINITY UNIVERSITY

LOCATION: San Antonio, Texas

ENROLLMENT: 2,900

HEAD COACH: Jimmy Littleton

CONFERENCE: Southland Conference

1970-71 RECORD: 5-16 (1-7, 5th in conference)

SID: Paul Ridings, Jr.

SERIES RECORD: 1st meeting

OUTLOOK: Normally a coach who returns only one letterman from a 5-16 team has no reason to be optimistic, but Coach Littleton is, with reason. The Tigers this year have several top-notch Sophomores, including the four top scorers from their Freshman team—headed by 5-10 guard Bob Murphy (19.3 ppg.) and 6-5 forward Randall Pugh (18.8 ppg.)—plus three JC transfers to add height under the boards—the Bromer brothers from Spoon River JC, Chicago, 6-8 Bill Bromer (15.5 ppg.) and 6-9 Bob Bromer (16.3 ppg.) plus Steve Tipton, a 6-8 post-man from Lakewood, Colo., who averaged 9.1 ppg. at Kilgore JC last year. Look for Littleton to use a double post this season to take advantage of the height.

(see tournament information)

UNIVERSITY OF HAWAII

JAN. 8, THE DOME COLISEUM, 8:00 P.M.

LOCATION: Honolulu, Hawaii

ENROLLMENT: 18,750

HEAD COACH: Red Rocha

CONFERENCE: NCAA Independent

1970-71 RECORD: 23-5

SID: Dick Fishback

SERIES RECORD: Centenary has won 3, lost 3

OUTLOOK: Hawaii surprised everyone last year, rolling to a 22-4 regular season mark and the quarter-finals of the NIT. The Rainbows in turn were surprised by Centenary, who handed them their only home-court loss of the year, a 67-66 squeaker in their final game. Thus they will invade the Dome with revenge in mind and an extremely able cast to pull it off. UH returns its entire varsity except one, including the 5 top scorers, headed by 6-7 forward Al Davis (18.9 ppg.), and 5-9 guard Jerome Freeman (15.7). Also returning will be the team's leading rebounder Bob Nash (12.9 reb., 15.6 ppg.) and 6-2 John Penabaker, who ranked 10th nationally in FG accuracy with 58%. To complement this cast Coach Rocha has added three top-notch JC transfers: 6-9 Jim Wienstroer of Maramec (Mo.) JC (16.0 points, 14 rebounds per game), 6-2 Willie Martin of Johnson and Wales (RI) JC, (30.2 ppg. at a .569 percentage), and 6-3 Tyrone Bradshaw from Creston (Iowa) JC (24.0 ppg.).

UNIVERSITY OF TEXAS AT ARLINGTON

JAN. 13 AT ARLINGTON

FEB. 21, THE DOME COLISEUM, 8:00 P.M.

LOCATION: Arlington, Texas

ENROLLMENT: 14,600

HEAD COACH: Barry Dowd

CONFERENCE: Southland Conference

1970-71 RECORD: 8-18 (3-5, 4th in conference)

SID: Bill Lace

SERIES RECORD: Centenary has won 1, lost 1.

OUTLOOK: Arlington has added height with JC transfers Richie Trice (6-7 forward) and Larry Moore (6-8 center), plus 6-5 forward Perry Littleton, up from the Freshman team. Best returnee is 6-1 guard Greg Hunter, an exceptional ball-handler. If the defense and the newcomers jell, UTA could be a sleeper this season.

HARDIN-SIMMONS UNIVERSITY

JAN. 21, THE DOME COLISEUM, 8:00 P.M.

FEB. 18 AT ABILENE

LOCATION: Abilene, Texas

ENROLLMENT: 1,800

HEAD COACH: Glen Whitis

CONFERENCE: NCAA Independent

1970-71 RECORD: 9-16

SID: Sherwyn McNair

SERIES RECORD: Centenary has won 6, lost 8

OUTLOOK: H-SU will have a depth problem this year, depending on their top 6 men to carry the load. These men include, however, 6-10 Harvey Catchings, a redshirt transfer from Weatherford JC and 6-5 Ray Williams, number 8 in the nation in FG accuracy last year. The outstanding Soph. should be 6-3 Gary Crowthers, who led the Frosh team in scoring and may earn a starting berth this year.

UNIVERSITY OF SOUTHERN MISSISSIPPI

JAN. 24, THE DOME COLISEUM, 8:00 P.M.

FEB. 5 AT HATTIESBURG

LOCATION: Hattiesburg, Mississippi

ENROLLMENT: 8,200

HEAD COACH: Jeep Clark

CONFERENCE: NCAA College-Division Independent

1970-71 RECORD: 7-19

SID: Ace Cleveland

SERIES RECORD: Centenary has won 12, lost 14

OUTLOOK: USM has a new coach this year, plus the incentive to avenge last spring's 106-65 drubbing at the hands of the Gents. The Southerners return only two starters, 6-1 guard Houston Cunningham (12.3 ppg.) and 6-4 forward John Byrne (9.5 ppg.), but add several promising newcomers, JC

transfer Doug Kemble, a 6-9 center, plus the two top scorers from the freshman team, 6-4 forward Danny Thornsby (21.9 ppg.) and 6-6 center-forward Casey Price (18.1 ppg., 14.3 rebounds).

LONG ISLAND UNIVERSITY

JAN. 26, THE DOME COLISEUM, 8:00 P.M.

LOCATION: Brooklyn, New York

ENROLLMENT: 7,500

HEAD COACH: Roy Rubin

CONFERENCE: NCAA Independent

1970-71 RECORD: 10-15

SID: Bob Gesslein

SERIES RECORD: First meeting

OUTLOOK: The Blackbirds make their first trip ever to Shreveport, bringing a young, quick team hoping to rebound from one of their least successful seasons in recent years. Coach Rubin will count on height and speed to bring LIU above the .500 mark. Among the players to watch will be team captain Walter Jones, a 6-8 forward, and Sophomore Fred Gibson, 6-5, also a forward.

LOUISIANA STATE UNIVERSITY (NEW ORLEANS)

JAN. 28 AT NEW ORLEANS

FEB. 14, THE DOME COLISEUM, 8:00 P.M.

LOCATION: New Orleans, Louisiana

ENROLLMENT: 13,000

HEAD COACH: Ron Greene

CONFERENCE: NCAA College-Division Independent

1970-71 RECORD: 23-3

SID: Jerry Walker

SERIES OUTLOOK: First meeting

OUTLOOK: Centenary inaugurates a home and home series with LSUNO this year, one of last year's surprise teams in the nation. Coach Greene's charges astounded everyone, rolling to a 23-1 regular season mark and gaining a berth in the NCAA College Southern Regional Tournament. With many players gone from that team, this year's aggregate will be young and relatively untested, but with great potential. Standouts should be guards Melvin Henderson at 6-3, and 6-1 John "Hawk" Hamilton. Newcomers Terry Gill, Mike Kennedy, and Mike Lane should add offensive punch.

LOYOLA UNIVERSITY

JAN. 29 AT NEW ORLEANS

FEB. 12, THE DOME COLISEUM, 8:00 P.M.

LOCATION: New Orleans, Louisiana

ENROLLMENT: 6,000

HEAD COACH: Bob Luksta

CONFERENCE: NCAA Independent

1970-71 RECORD: 16-10

SID: Peter Finney

SERIES RECORD: Centenary has won 8, lost 7.

OUTLOOK: Loyola pulled some surprises last year, knocking off Hawaii and Houston on their way to their best season in over a decade. Coach Luksta will attempt to duplicate these feats depending on a relatively short team to do the job. Tallest man on the squad is 6-8 center Charles Jones, while the top scoring threat will probably be 6-7 Ernie Losch, a Jr. who is deadly on the inside.

UNIVERSITY OF HOUSTON

FEB. 10 AT HOUSTON

FEB. 17, THE DOME COLISEUM, 8:00 P.M.

LOCATION: Houston, Texas

ENROLLMENT: 25,500

HEAD COACH: Guy V. Lewis

CONFERENCE: NCAA Independent

1970-71 RECORD: 22-7

SID: Ted Nance

SERIES RECORD: Centenary has won 1, lost 11

OUTLOOK: Some of UH's big guns are gone from last year's NCAA Tournament team, but as usual Coach Lewis has enough players ready and willing to make the Cougars a national power again. Top returnee will be Dwight Davis (the "Double D"), a 6-7 Senior forward who has replaced the "Big E" Elvin Hayes as Houston's super-star. Waiting in the wings from Houston's most successful Freshman team ever are two others who may become super-stars in their own right: 6-2 guard Donnell Hayes from Camden, New Jersey, and 6-10 center Dwight Jones from Houston. UH will once again be one of the top teams in the Southwest.
